

To whom it may concern:

Uncle Gary's Rock & Rib Fest to benefit the Kids Cancer Foundation will be held on Saturday, April 1st, 2017 at the Wellington Amphitheater from 3 to 9 pm.

The Kids Cancer Foundation is a 501 (c) (3) nonprofit charity whose mission is to provide hope and support to local children and families battling childhood cancer. They need supporters like you to help make this possible.

Every year, Gary Rowan, hosts this event in memory of his young daughter, Ashley who lost her battle with cancer at the age of three. Uncle Gary's Rock & Rib Fest is Gary's way of honoring his daughter's memory by raising funds to assist local children and families who are facing the same battle against childhood cancer that Gary and his family know all too well. The Kids Cancer Foundation hopes that no family will have to endure the difficulty that the Rowan family experienced, but until then, they will try to ease the struggle for these valiant families.

We are asking you to consider a sponsorship. With your help we can make this event a huge success and by doing so help the many children and families battling childhood cancer in our community. Help us help them fight.

All sponsors will be graciously recognized both at the event and in promotional materials. We have multiple sponsorship opportunities available, all of which are tax deductible.

We thank you in advance for your support of this event. If you have any questions, please do not hesitate to contact Gary Rowan at 561-929-1523 or cgrp19@yahoo.com
